NINETEEN HUNDRED-1978-SEVENTY EIGHT

In Memory and Dedication

It is with a sense of very deep loss that we, the class of 1978, dedicate our yearbook in memoriam to Robert Horvath.

He was, first, a completely devoted, family man who treasured the love and companionship of his wife Jan and son Todd.

He earned, also, in no small measure, the respect and friendship of the students he worked with, and for, here at Manchester Jr.-Sr. High School.

The young men he led on the baseball field and basketball court were fortunate to have benefited from the sensitive and compassionate leadership of a man who exhibited a graceful and mature posture whether winning or losing.

His presence among us has been and will be sorely missed, but we, the Class of 1978 will forever cherish his memory, and we hope to adhere to the principles he strove mightily to impart.

Everything
must
change

Nothing
stays
the
same

Everyone must change

Nothing stays the same

The young become the old.

Mysteries do unfold

'Cause
that's
the
way of
time

Nothing and
no one
goes
unchanged

There are
not many
things in
life

You can
be sure
of

Except rain comes
from the clouds

And sun lights up
the sky

And humming birds
do fly

Winter turns to spring

A wounded
heart
will heal

But never
much too
soon

Everything must change

The young
become
the
old

Mysteries do unfold

'Cause that's the way
of time

Nothing and no one

goes

unchanged

There are not many things in life
You can be sure of
Except rain comes from the clouds

And sun lights up the sky

And hummingbirds do fly
. . .

Our senior class advisors, Mr. Schlegel, Mr. Bachini, and Mrs. Barker have devoted much of their time and effort to help us make the most of these high school years. They have lived through our chicken dinners, songfests, calendars, beach towels, bake sales, and auction. We couldn't have done it without them. For this, we want to thank our lucky stars!

"Weatherwise," one of the three one-act plays performed in the spring of 1977, was Manchester High School's first entry into the Massachusetts State Drama Festival. The play advanced as far as the semi-final round in competition receiving high scores from a large number of judges. Dramatics at M.H.S. has come a long way, and "Weatherwise" was proof of this.

The Diary of Anne Frank was performed on November 14th and 15th, 1977. Under the direction of Mr. John Stuart the cast successfully performed a very difficult drama. This production further supports the reputation that dramatics at M.H.S. has been building over the past few years.

MR. LEO FRASER

This year's Anchor is a conglomeration of nail-biting and fear of missing deadlines, but mainly a lot of care and dedication. The source of all of this was the 1978 staff who appeared to have endless amounts of these emotions. This was demonstrated by the size of the staff itself, and the amount of members who showed up for meetings, when really needed.

The staff would like to thank Mr. Fraser for all the time and support he gave throughout the formation of the yearbook. We would never have made it without him.

Pzenny, L. Clifford, K. Klebart, D. Hersey, S. McCoy, Band Director — Mr. I. Anderson.

The band started off the year with a new band director, Mr. I. Anderson. Mr. Anderson combined many new ideas, with unfailing enthusiasm to produce an excellent combined Jr.-Sr. High band. Also new to M.H.S. was the first school marching band which played at several of the home football games. Although the loss of older members will be felt, the new and younger players will support the new revival of spirit and participation.

Dear Classmates of '78:

Soon we all will be going off in different directions, but no matter where we go or what we become we will all have one thing in common, we *were* the class of '78, and that's something to be proud of.

Each of our lives will be comprised of many memories, and the best of them will be moments at MHS, highlighted by senior year. Who could ever forget our two soggy chicken dinners, quickie brainstorms for songfest, your classic junque auction, the countless crazy nights at, you got it, envelope stuffing, and best of all, the prom, class trip, and graduation.

Many times we've been in jams and we've surprised each other by pulling out ahead. We've been together for a long time but this year we've been the closest. Because of this, it's been the best.

Good luck guys,
The Officers

TO THE CLASS OF 1978

Six years ago you entered Manchester Jr.-Sr. High School and the reputation that preceded you from grade school was mixed. Some of you and some of your teachers were hesitant about predicting growth and success. When you were in junior high we gave special attention to your academic and counseling programs.

But that was a long (short?) time ago. Your record in the National Merit Scholarship Competition and in admission to college, your leadership in sports and extracurricular activities, and especially your growing *spirit* as evidenced in the Christmas Songfest and other events, are proof of what we have accomplished together. Perhaps other classes have achieved higher individual goals, but none has come such a long way. And progress is what education and people are all about.

Thank you and . . .

KEEP IT GREEN

SPORTS

V. Baseball '77

There is just cause for optimism among the staff and players for 1978. This year's baseball team was young, and inexperienced but managed to acquit themselves admirably in all but a few ballgames. Skip Milne makes his varsity baseball coaching debut, and we are sure he will approach it with his usual verve. The loss of Bob Horvath through tragic circumstances was a blow which will take some determination to recover from, but recover the team will, and carry on the proud tradition of Manchester baseball.

Bottom row: S. Rodier, C. Davis, J. Rueter, M. Logue, B. Pasek, J. Brown, Biff Colella. *Top row:* Manager J. Chouinard, J. Collins, C. Rodier, C. Bell, J. St.Clair, S. Nicol, P. Nasser, D. Coons, Coach Robert Horvath.

Boys' Varsity Basketball

Front: J. Willwerth, P. Nasser, S. Nicol, J. Rueter. *Back:* Coach Nalley, D. Coons, J. Collens, C. Bell, B. Ina, J. Bachman, Manager J. Chouinard.

This year's team finished third in the Division II of the Cape Ann League with a 7-10 record. Overall they finished 8-11. Highlights of the season were the scoring of Paul Nasser, with 343 Pts., for an 18.1 average and Steve Nicol with 246, for a 12.5 average. A Christmas festival at Cape Cod and a double win over Hamilton-Wenham for the first time in 10 years.

Coach Nalley says "This group of boys had tremendous dedication, hustle, and desire, and that their character on and off the court will make them successful in later life." He also is looking forward to next year with the addition of this year's 14-3 J.V. Team!!

1961

Girls' Varsity Basketball

First row, left to right: Ruth Dame, Cathy Smith, Linda Marshall, Beth DiAngelo. *Second row:* Lisa Juel, Patti Atwater, Barbara Creed, Eliza Procter, Coach Kay Volchko.

SCORE!!! Another basket for the mighty Hornettes.

The 1977-'78 season proved to be a rebuilding stage in the structure of the Hornettes. Although we bid farewell to our faithful seniors, Lisa, Cathy, and Patti, we look forward to an even more productive season in the year to come. The remaining players will all be well experienced and ready to face the oncoming challenges. It's spirit that counts and we have plenty of it!

J.V. Boys' Basketball

Standing: C. Fritz, J. Lear, J. Lance, D. Greene, T. Bullock. *Seated:* J. McKinley, D. Bell, Coach Milne. *Kneeling:* D. Cook, B. Colella, J. Borel, B. Melvin.

This year's team was one of the finest JV teams in the past 10-15 years. Through hustle and aggressiveness they compiled a 14-3 record for the season. The strength of this talented team was their unselfishness toward each other. Any given game two or three players would be the leading scorers.

The highlight of the season was a come from behind overtime victory over Hamilton-Wenham while playing without two of our starters. Look for a bright future from these men that will be full of excitement and victory.

J.V. Girls' Basketball

Front row, left to right: L. Stanley, M. Noonan, K. O'Brien, M. Smith, N. Lations, M. Shaw. *Second row:* Coach Wallace, M. Logue, L. Stanley, C. Capon, K. Klebart, L. Marshall, J. Reimersma.

The Manchester Junior Varsity girls had what we like to call a toughening up season due to MHS's size. Meeting with defeat drew only more spirit out of the JV girls this year and we look forward to seeing many of them as future additions to the varsity squad.

J.V. Candids

Freshman Boys Basketball 1978

Bottom row: T. Piergrossi, B. Johnson, Captain D. Harlow, B. Pasek, M. Chapman, V. Bernson. *Top row:* Coach V. Gagnon, E. Hunt, J. Schanley, D. Martz, E. Field, Manager W. Crane.

The '77-'78 Freshman Hornets Boys' Basketball team concluded their season with a 9-7 won-loss record. Highlights of the season included wins over Ipswich, Triton, North Reading, Rockport, Pentucket, Amesbury, and Georgetown.

Freshman Girls' Basketball 1978

Bottom row, left to right: M. Singleton, R. Marsden, K. Dawson, K. Brooks, J. Burbank, L. Donovan, S. Smith, M. McCarthy. *Second row, left to right:* Coach Baker, A. Singleton, L. Thursby, B. Bresnehan, R. Cullinane, L. Bottger, E. Doyle, K. Manos, L. Green.

The Freshman Girls' basketball team was long on talent and enthusiasm, but short on experience. Over 80% of the large squad were eighth graders, while their opposition did not include any girl below ninth grade. This year was viewed as a "learning-the-basics" and "gaining-experience" year, with every girl playing in every game.

Hopefully, the enthusiasm, loyalty, and dedication of the group will last. If it does in a few short years they will be unbeatable!!!

The girls' tennis team at MHS continued their phenomenal performance on the court during the 1977 season with 30 straight wins, and (of course) no losses. The team has given great pride to the school, the coach, and themselves. We look to see them continue to be an asset to MHS this spring.

Boys' Tennis 1977

Left to right: B. Ina, D. Cook, A. Textoris, K. Vutech, T. Cooke, D. Coons, and B. Pasek.

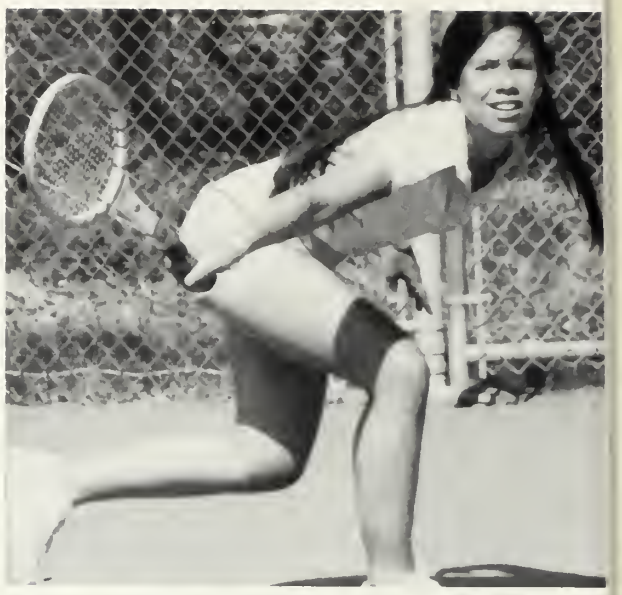
The Boys' Tennis Team won their second consecutive Cape Ann League Championship. The boys now have won 24 out of their last 28 matches. In the state tournament they won in the first round against Situate 5-0 and lost in the second round 4-1 to Sharon.

Graduation takes away Damon Coons, and Jeff Bishop who lost one match in 2 years at number one doubles, giving them a record of 27 and 11.

Andy Textoris who also graduates, played at #3 singles, and won many matches over the past 3 years.

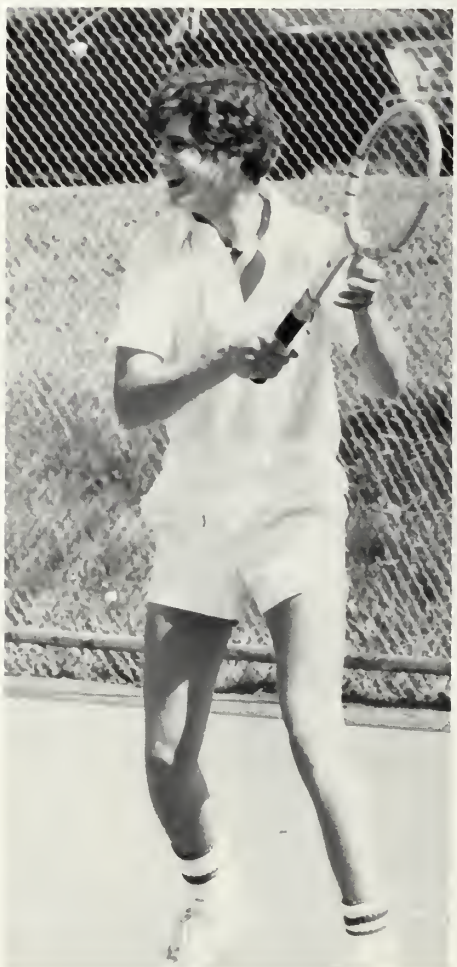
Returning will be Barry Pasek at #1 position and Billy Ina at #2 position who should give Coach Nalley the best one-two punch in the league next year.

Damon goes for a backhand.



Sue forgets her hair and goes for the ball.

No. 1 Joy at her best.



No Gregg, getting aced is not funny.

Todd cringes at the shot.

Look — up in the sky, it's a bird! It's a plane! No, it's a tennis ball!

Kathy gives it her best.

The 1977 Football season brought about a fantastic accomplishment, that of our team repeating as league champions. The players on this team were determined to succeed and did so with class.

An outstanding senior class led by three dedicated captains, complemented a young, but aggressive junior and sophomore group.

Our J.V. team showed steady improvement highlighted by a last-game victory against an undefeated Southeast Regional team.

Next year's team shows more promise, more excitement, and more victories!

End of the Season Pep Rally

The end of the season pre-Georgetown pep rally proved to be both successful and exciting. With the cheerleaders and the senior football players exchanging roles, the evening was a total success. The evening ended with the naming of the 1978 tri-captains, and the football queen. Paul Nasser, Derek Coons, and Mike Dickman are the tri-captains while Lisa Wielgorecki was crowned football queen.

SEA FEVER

John Masefield

I must go down to the sea again, to the lonely sea and sky,
And all I ask is a tall ship and a star to steer her by,
And the wheels kick and the winds song and the white sail shaking,
And a gray mist on the sea's face and a gray dawn breaking.

I must go down to the sea again, for the call of the running tide
Is a wild call and a clear call that may not be denied;
And all I ask is a windy day with the white clouds flying,
And the flung spray and the blown spume, and the seagulls crying.

I must go down to the sea again, to the vagrant gypsy life,
To the gull's way and the whale's way where the wind's like a whetted knife;
And all I ask is a merry yawn from a laughing fellow rover,
And a quiet sleep and a sweet dream and the long trick's over. . .
